Name Aayush

Roll NO.:2401010042

Section-B

Course:B.tech Cse Core

Assignment 3 :

❖ Aim

To design and develop a full-stack Quiz Master web application using HTML, CSS, Python, and Django framework, enabling users to attempt multiple-choice questions and view their scores with feedback.

❖ Tasks

- Set up a Django project and application
- Create quiz questions and store them (static or database)
- Design HTML templates for Home, Quiz, and Result pages
- Implement backend logic using Django views
- Handle form submission and user responses
- Calculate quiz score based on answers
- Display result and feedback to the user
- Apply CSS styling for better user interface

❖ Technologies Used

- **Frontend:** HTML, CSS
- **Backend:** Python, Django
- **Framework:** Django Web Framework
- **Tools:** VS Code / PyCharm, Web Browser
- **Version Control (Optional):** Git

❖ Code :

➤ **HTML CODE :**

❖ **Index.html**
